Nurse Refresher Course
Day One Agenda
One Simulation Scenario Option

Day 1

- | | |
|-------------|----------------------------------------------------|
| 0800-0830 | Welcome/Logistics of boot camp |
| 0830-11:00 | skill stations (30 minute stations) |
| | 0830-0900 PIV |
| | 0900-0930 medication administration with MAR |
| | 0930-1015 sterile technique (foley and wound care) |
| | 1015-1030 NGT |
| | 1030-1100 oxygen delivery devices and flow rates |
|
 | |
| 11:00-12:00 | Lunch |
|
 | |
| 12:00-12:30 | Introduction to simulation |
| 1230-1330 | Introduction to electronic health record |
| 1330-1430 | Pre-sim assignment and pre-sim manager |
|
 | |
| 1430-1445 | Break |
|
 | |
| 1445-1500 | Report/pre-conference |
| 1500-1530 | Basic scenario (pneumonia) |
| 1530-1615 | Scenario debriefing |
|
 | |
| 1615-1630 | Discuss day 2 agenda (if applicable) and wrap up |

Simulation Technician time = 7 hours

Nursing Faculty time = 7 hours

Total Cost for Learning Experience & Skills Kit = \$930

Nurse Refresher Course
Day 1 & 2 Agenda
Two Simulation Scenario Option

Day 1

- | | |
|-------------|----------------------------------------------------|
| 0800-0830 | Welcome/Logistics of boot camp |
| 0830-11:00 | skill stations (30 minute stations) |
| | 0830-0900 PIV |
| | 0900-0930 medication administration with MAR |
| | 0930-1015 sterile technique (foley and wound care) |
| | 1015-1030 NGT |
| | 1030-1100 oxygen delivery devices and flow rates |
| 11:00-12:00 | Lunch |
| 12:00-12:30 | Introduction to simulation |
| 1230-1330 | Introduction to electronic health record |
| 1330-1430 | Pre-sim assignment and pre-sim manager |
| 1430-1445 | Break |
| 1445-1500 | Report/pre-conference |
| 1500-1530 | Basic scenario (pneumonia) |
| 1530-1615 | Scenario debriefing |
| 1615-1630 | Discuss day 2 agenda and wrap up |

Day 2

- | | |
|-------------|--------------------------------------|
| 0800-0830 | Welcome, questions |
| 0830-0845 | Report/pre-conference |
| 0845-0930 | Care for 1 patient (Intermediate) |
| 0930-10:45 | Scenario debriefing and review video |
| 10:45-11:30 | Evaluations and wrap up |

Simulation Technician time = 9.5 hours

Nursing Faculty time = 11 hours

Total Cost for Learning Experience & Skills Kit = \$1,250

PLATT COLLEGE

Setting the Standard in Nursing Education

**School of Nursing at Platt College
Nurse Refresher Course
Skills Kit**

Quantity	Item Name	Content Verified Please check off
1	Personal Protection Kit Latex Free	
2 pair	Nitrile Sterile Powder Free Surgeons Gloves	
1	Primary Dressing Change Tray	
1	30 mL 0.9% NSS for Injection	
1	1000 mL 0.9%NaCl IV Solution	
1	50 mL 0.9% NaCl IV Solution	
1	Primary 113" Solution Set	
1	Secondary 37" Solution Set	
4	Secondary 8" Extension Set	
1	Pen Light with Pupil Gauge	
1	5 ½ inch bandage scissors	
1	Tegaderm Transparent Dressing, 4x4	
1	1 Roll Clear Surgical Tape 1"	
1	1 Roll Paper Surgical Tape 1"	
1	1 Roll Cloth Surgical Tape 1"	
1	Adult nasogastric tube	
1	Irrigation Tray with Piston Syringe	
1	Straight Cath Kit w/ 14 Fr Red Catheter	
1	Closed Insert Foley Tray, Sterile	
1	Central Line Dressing Change Tray	
2	IV Start Kits	
1	Tracheostomy Care Trays w/ 14 Fr Catheter	
1	Custom Health Tote, Canvas	
1	Simulated Swabsticks

Day 1 & 2 Agenda
Three Simulation Scenario Option

Day 1

- 0800-0830 Welcome/Logistics of boot camp
0830-11:00 skill stations (30 minute stations)
0830-0900 PIV
0900-0930 medication administration with MAR
0930-1015 sterile technique (foley and wound care)
1015-1030 NGT
1030-1100 oxygen delivery devices and flow rates
- 11:00-12:00 Lunch
- 12:00-12:30 Introduction to simulation
1230-1330 Introduction to electronic health record
1330-1430 Pre-sim assignment and pre-sim manager
- 1430-1445 Break
- 1445-1500 Report/pre-conference
1500-1530 Basic scenario (pneumonia)
1530-1615 Scenario debriefing
- 1615-1630 Discuss day 2 agenda and wrap up

Day 2

- 0800-0830 Welcome, questions
0830-0845 Report/pre-conference
0845-0930 Care for 1 patient (Intermediate)
0930-10:15 Scenario debriefing and review video
- 10:15-10:30 Break
- 10:30-1045 Report/pre-conference
1045-11:30 Care for 2 patients (Advanced)
11:30-1215 Scenario debriefing and review video
12:15-12:30 Evaluations and wrap up

**The school of nursing at Platt College
Nurse Refresher Course
Nursing Skills Self-Assessment**

NAME: _____ Date: _____

This tool is provided to help perform a self-assessment of nursing skills needed for employment in a medical-surgical setting as a registered nurse. It will help identify strengths and weaknesses and inform the skills and simulation portion of the Nurse Refresher course.

- 1) It is the nurse's responsibility to maintain this skills checklist.
- 2) Share the checklist with your preceptor – this is optional.
- 4) Nurse is responsible for self- assessment at the beginning and end of the Course.
- 5) Nurse is to document the date when the skill has been demonstrated in the Course.

Signature _____ Date _____

Nursing Skills Self-Assessment

Medication			
Administer medication through IV			
Administer medication through IV solution			
Nursing Skills List	Successfully completed during Course (I) Independent (A) Assisted – record date completed IF POSSIBLE – if assisted with first time, document Independent (I) when/if it occurs	Self –Assessment What level of confidence do you have with the following skills? (L) = Low (M) = Moderate (H) = High Make note of skills rated (L) and seek out those experiences IF POSSIBLE	
		Before Course	After Course
Intravenous and Vascular Access Therapy			
Initiate (Set-up Intravenous Therapy)			
Insert Peripheral Intravenous Catheter			
Regulate Intravenous Flow rate			
Change Intravenous solution			
Change Infusion tubing			
Change Peripheral IV Dressing			
Discontinue Peripheral IV Access			
Administer Infusions using a Central Venous catheter			
Obtain a blood sample from a Central Venous Catheter			
Change a dressing on a Central Venous Catheter			
Observe Initiation and watch for complications of a blood transfusion			
Monitor patient for transfusion reaction			
Nutrition			
Perform a nutritional assessment			
Assist the patient with oral nutrition
